

What You Will Gain:

Methodological Rigor: Upgrade your research design from basic searching to systematic, evidence-based literature mapping.

Practical Hands-on Expertise:  Get practical exposure to Mendeley and PROCESS Macro tools, enabling a smoother and more effective research experience.

Publication Confidence: Overcome common statistical and technical roadblocks in quantitative social science research.

Higher Academic Visibility: Transform your finished research into widely cited, globally discoverable publications.

**Learn, Work,
Publish**

Key Highlights:

* **Scopus Search & SLR Techniques:** Master advanced Boolean operators, search codes, filters, and literature review strategies.

* **Reference Management:** Hands-on guide to automated in-text citations and bibliography management using Mendeley.

* **Hayes PROCESS Macro:** An eye-opener on mediation and moderation analysis for quantitative data.

* **Research Visibility:** Proven strategies to increase your profile reach and boost your citation score.
