**PAPER PRESENTACIA – JULY 2023**

EEESA conducted an event “Paper Presentacia” on 5<sup>th</sup> July, 2023 from 1.45PM to 4.30PM under the guidance of our association president Er. I. Saravanan HOD/EEE.

The Master of Ceremony for the event was Selvan. A. Mohamed Harees II-year EEE.

The session started with Tamil Thai Vazhthu followed by Welcome Address given by Selvan. M. Alex, II year EEE.

The Secretary address was delivered by Selvan. J. Jafrin Peerkhan III-year EEE.

Presidential address was delivered by our honorable Principal Dr. A. Sankara Subramanian Ph. D., He motivated the students to look into an updated technological concepts. Further he encouraged the students to actively participate an event in intra colleges.

Paper Presentation was conducted as a team event with a maximum of 2 students in a group. The presentation primarily focused on the topics of Electrical safety, Green energy source, Hybrid power generation, E-Vehicle, Electrical Automation, Energy saving, Biomedical Instrumentation students from II year and III year of EEE actively participated for the event.

Judging Panel members introductory remarks were done by Selvan. R. Vivek Selvan II-year EEE.

The teams were evaluated by a panel of Judges Er. S. Ramesh HOD in-charge of CSE Department and Mrs. N. Karpagam Lect/Maths(EEE). It was evaluated based on their technical knowledge, presentation skill and communication skill.

The event concluded successfully with the participants and the audience learning the latest advancements in technology and motivated us with researching and working on these topics.

The program ended at 4.30PM with a Vote of Thanks by Selvan. A. Esakki Raja III year EEE and followed by Nation Anthem.

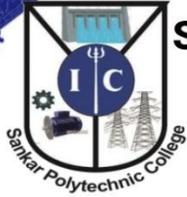

The event was held in EEE Computer lab and coordinated by Er. V. Vimala, Vice President/EEESA, Er. K. Pattu, Faculty member/EEESA.

**CIRCUIT IDE EVENT – AUGUST 2023**

EEESA organized Technical Quiz event “Circuit IDE” on 30<sup>th</sup> August, 2023 from 2.00PM to 4.30PM under the guidance of our association president Er. I. Saravanan HOD/EEE.

The Master of Ceremony for the event was Selvan. A. Mathan Kumar III year EEE.

The session started with Tamil Thai Vazhthu followed by Welcome Address given by Selvan. A.S. Syed Mohamed Injaaz, II year EEE.

The Secretary address was delivered by Selvan. J. Jafrin Peerkhan III-year EEE.

Presidential address was delivered by our honorable Principal Dr. A. Sankara Subramanian. He motivated the students to look into an updated technological concepts. Further he encouraged the students to actively participate an event in intra colleges and appreciated the EEESA activities.

Quiz Master introductory remarks were done by Selvan. M. Mohamed Ameen I year EEE.

Our Quiz Master Er. S. Babu Sankar Ganesh MD/E-dot Technologies spoke future scope of electrical engineering. He stressed the importance of circuit design technologies and E-Vehicle. Also he advised the students to concentrate not only in academics as well as in career path around them.

Circuit IDE was conducted as a team event with a maximum of 2 students in a group. The quiz event primarily focused on Basic and Practical knowledge of Electrical Engineering. Students from first year, second year and third year of EEE actively participated for the event. The quiz was divided into two rounds: 1. Elimination round, 2. Final round.

The teams were evaluated by Er. S. Babu Sankar Ganesh MD/E-dot Technologies. It was evaluated based on their circuit identification, circuit explanation and technical knowledge. Each year one winner will be selected based on the score board.

Our college Administrative Officer Er. R. V. Srinivasan felicitated the quiz event.

The quiz competition resulted in students who were very responsive, well-prepared, enthusiastic and followed the rules. The students appreciated the department’s efforts to broaden their knowledge and learning.

The program ended at 4.30PM with a Vote of Thanks by Selvan. J. Irythaya Jonson II year EEE and followed by Nation Anthem.

The event was held in EEE Computer lab and coordinated by Er. V. Vimala, Vice President/EEESA and Er. K. Pattu, Faculty member/EEESA.

We convey regards for our department Teaching and Non-Teaching faculty members for their unwavering support of this event.
