EEE STUDENT'S ASSOCIATION

INAUGURATION – JUNE 2024

The EEE Students Association (EEESA) Inauguration for I Year Students of EEE was held on 27th of June 2024 in EEE Computer Lab. Er. C. RAJASEKAR, Assistant Executive Engineer/TNEB Alumni of EEE 1996 Batch was acted as Chief Guest.

The Master of Ceremony for the event was Selvan. A. Mohamed Harees II-year EEE.

The session started with Tamil Thai Vazhthu followed by welcome address given by Selvan. A. S. Syed Mohamed Injaaz, III-year EEE. Er. I. Saravanan Present/EEESA was delivered the Inaugural Address of our Association followed by Presidential address was delivered by our honorable Principal Dr. A. Sankara Subramanian.

Chief Guest introductory remarks were done by Selvan. M. Balasubramanian III-year EEE, Secretary of EEESA. Er. I. Saravanan, HOD/EEE & President of EEESA honored the Chief Guest followed by Chief Guest address. The chief guest Er. C. RAJASEKAR, shared his valuable talk for our students about his work experience in the field of Electricity Board. He has an establishment record of erecting transmission lines during Tsunami massive attack in the Nagapattinam district. He also shared his Power house, ooty adventurous experienced. He gave an overview for our students about “Electronics for You” for doing innovative technical projects. And also, he shared Government Employment opportunities in the field of study such as TNEB, PWD, Railways, UPSC. He shared awareness about special weightage of marks for NCC B & C certificate holder.

After the Chief Guest addressing, Er. R. V. Srinivasan AO/SPC felicitated the inauguration ceremony. Finally, the event concluded with Vote of Thanks by Selvan. P. Siva Kumar II year EEE, followed by National Anthem.

Inauguration Ceremony Organized and Arranged by Er. V. Vimala, Vice President/EEESA, Er. K. Pattu, Faculty member/EEESA.

We convey regards for our department Teaching and Non-Teaching faculty members for their unwavering support of this event.

Key Highlights of the Rally :

- Students, faculty members, TNEB staffs and local community members actively participated in the rally, demonstrating their commitment to energy conservation.
- Participants carried placards and banners with catchy slogans, spreading the message of electricity saving and sustainability.
- The rally highlighted practical tips and practices for reducing electricity consumption, such as using energy-efficient appliances and switching off lights when not in use.
- The event fostered community engagement, encouraging individuals to take small steps towards making a significant impact on energy conservation.
- The rally increased awareness about the importance of electricity saving and its positive impact on the environment.
- The Electricity Saving Week Rally was successfully organized to promote awareness about the importance of energy conservation and electricity saving

Key Highlights of the Expo :

- ✓ The expo featured various exhibition stalls, each showcasing unique projects and experiments that demonstrated scientific concepts and principles.
- ✓ Visitors were treated to interactive demonstrations, allowing them to engage hands-on with science and technology.
- ✓ Students effectively communicated complex scientific concepts in an engaging and accessible manner.
- ✓ Visitors provided positive feedback, praising the expo for its ability to make science and technology more accessible and enjoyable.
- ✓ The Science Expo was a valuable experience, promoting science and technology awareness among the community.

Key Highlights

- ✓ The field visit to the substation at Sankar Polytechnic College provided students with a valuable opportunity to gain practical knowledge and insights into electrical substations.
- ✓ To bridge the gap between theoretical knowledge and practical application.
- ✓ Students received an overview of the substation, including its components, functions, and importance in the electrical power distribution system.
- ✓ Participants had the opportunity to inspect various equipment, such as transformers, circuit breakers, and protective relays.
- ✓ The visit emphasized the importance of safety procedures and protocols when working with electrical substations.
- ✓ Students appreciated the practical learning experience, stating that it helped them better understand the concepts learned in class.

CAREER KICKSTARTER PROGRAM – MARCH 2025

The LinkedIn Career Kickstarter program, organized by the EEE Students Association in collaboration with FACE PREP on 13th March 2025, was successfully conducted for second-year EEE diploma students under the guidance of our association president Er. I. Saravanan HoD/EEE. The program focused on creating and optimizing LinkedIn profiles and updating skills.

Program Highlights

- Students learned how to create professional LinkedIn profiles, showcasing their skills, education, and experiences.
- Participants were introduced to the importance of networking on LinkedIn, learning how to connect with professionals and build meaningful relationships.
- Students gained knowledge on how to establish a strong personal brand on LinkedIn, enhancing their online presence and visibility.
- Students reported a positive experience, appreciating the program's practicality and relevance to their career goals.
- Participants felt that the program helped them develop essential skills and knowledge, preparing them for the job market.

Conclusion

The LinkedIn Career Kickstarter program was a successful initiative, providing second-year EEE diploma students with valuable skills and knowledge to enhance their career prospects. The collaboration between FACE PREP and the EEE Students Association was instrumental in making this program a success.

The event was coordinated by Er. V. Vimala, Vice President/EEESA and Er. K. Pattu, Faculty member/EEESA.

We convey regards for our department Teaching and Non-Teaching faculty members for their unwavering support of this event.

EEE STUDENT'S ASSOCIATION THE SPARK FEST - MARCH 2025

EEESA organized Technical Quiz & Bioscope event “The Spark Fest” on 19th March, 2025 from 1.45PM to 4.30PM under the guidance of our association president Er. I. Saravanan HoD/EEE.

The session started with Tamil Thai Vazhthu.

Presidential address was delivered by our honorable Principal Dr. A. Sankara Subramanian. He motivated the students to look into an updated technological concepts. Further he encouraged the students to actively participate an event in intra colleges and appreciated the EEESA activities.

The Spark Fest was conducted as a team event with a maximum of 3 students in a group. The quiz event primarily focused on Basic and Practical knowledge of Electrical Engineering. Students from first year, second year and third year of EEE actively participated for the event. The quiz was divided into two rounds: 1. Elimination round, 2. Final round.

The teams were evaluated by Ms. K. Jeyarani Percila B.E., Lect/EEE & Mr. L. Subramanian B.E., MBA Lect/EEE. It was evaluated based on their identification, explanation and technical knowledge. The winners were awarded certificates and prizes, recognizing their outstanding performance.

Participants were fully engaged, showcasing their expertise and competing enthusiastically.

The Quiz and Bioscope event was a resounding success, promoting science and technology awareness while providing an engaging experience for participants. Future events can build upon this success, incorporating feedback and suggestions for improvement.

The event was held in EEE Computer lab and coordinated by Er. V. Vimala, Vice President/EEESA and Er. K. Pattu, Faculty member/EEESA.

We convey regards for our department Teaching and Non-Teaching faculty members for their unwavering support of this event.
